I'm going to go. I'll finish up my FA plot with Hyperbole and Nova (if anyone else wants to they can, but okay), but then i'll be done.

Hyperbole- You were an amazing inspiration, and a good friend to have. I'll miss you the most, i think. Keep being awsome!

Crimson- You were probably the biggest inspiration for me, and an amazing person. Keep being yourself. You're going to do something great someday.

Gulfstream- You were a good friend in my early days of being here, and I'm sorry i have to go. You have a great personality, and you had an amazing impact on my own positivity. Stay amazing.

PeriDot (did I spell that right?)- You and i became good friends, and I am sorry i have to go. You kept me going during hard times. I thank you for that.

cracks knuckles *thinks*

Angel- If you're reading this (you probably won't.) You were a HUGE inspiration when i first came here. I was amazed by you confidence, positivity, and overall amazingness. I looked up to you a lot.

Honorable mentions: Sanetra, Nova, Thunderstorm, Huricane, Fairydragon, and Bixbite. You guys are amazing people, and please keep bringing everybody up with you.

To FA people: You guys kept me on when I felt like quitting. Keeping me going when life sucked. You all deserve great things.

Why am I leaving? Good question. Dungeons and Dragons takes up a lot of time. Homework. I have whooping cough right now. Life is hard. I don't have motivation.

Will I be back? No idea. Maybe someday. Maybe never. I hope so.

Keep being awsome, and stay the way you are! Happy Halloween!

-Sunstalker, the Emperor of Destruction.
